

# Mat Party

**WHEN:** Monday, May 3rd

**TIME:** 6:00P.M.—?

**WHO:** Ages 13 and older

**WHERE:** 20210 Rim Rock Ct  
Foresthill, CA (Todd Valley)

## ABOUT THE EVENT

As many of you know, just before COVID19 struck, we opened our dojo for self-defense training. We decided a confined space would invite problems, so we have been converting our barn into a huge dojo/MMA facility.

David has done most of the work on his own, and we are finally ready to put mats down. This is where our community can join us.

We will be securing the moisture barriers with duct tape. We invite you to bring your own duct tape and sign a special spot on the barrier with your name and any message you like.

Once the barrier is secured, we will place the interlocking mats down. This should go pretty quickly so we will have time to get acquainted and have refreshments. (BYOB)

## OUR THANK YOU

All that join us will have their choice of 6 hours of self-defense training or 1 month access to use the barn to work out with a friend. We hope that you join us!

Best,

Jacqui and David Hallford
